# One-On-One Management and Executive **Presenter Training**

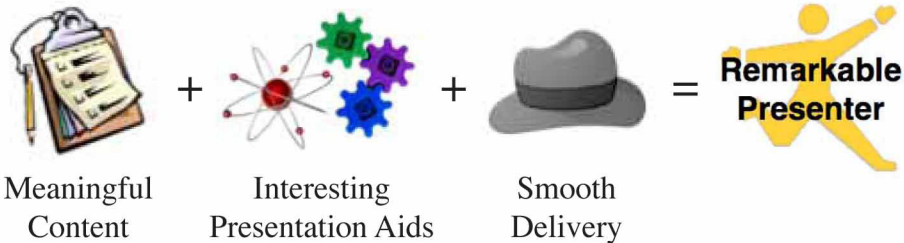

Make more compelling and persuasive presentations – to investors, directors, employees, and regulators. Let us help you create and deliver presentations that make things happen.

We specialize in preparing managers and executives for:

- Keynotes
- Conference speeches
- Board meetings
- Company meetings
- IPO roadshows

1. We make house calls and office calls.
2. Clients include Intel, HP, Infosys, Cadence, and Microsoft.
3. In one or two half-day sessions, we'll help you perfect your delivery skills and organize your presentation ideas. Then we'll work with you to define visual and other presentation aids that help you connect with and move your audience.
4. Serving the SF Bay Area: Silicon Valley, San Francisco, Peninsula, East Bay, Marin, Santa Cruz, and Contra Costa county.

## *One-On-One Presenter Training Process*

### **Phil Roybal**

Phil has been speaking professionally for over 30 years. And he has been a presenter coach for over 20 years. Phil can help you produce compelling content, visual aids, and delivery. Phil has taught college courses in visual aid design and is an expert in making complex presentations easy to understand. Phil's personable, one-on-one coaching style allows him to draw out the best in his client's natural presenter ability while minimizing any distracting or annoying behaviors.

### **Matt Hill**

Matt has been speaking professionally for over 20 years. He has been a presenter coach for over 15 years. Matt can draw out the best in people with his upbeat, personal approach. He is an expert at helping his clients integrate their natural verbal and non-verbal presenter skills. He is direct and focused with his coaching making for an efficient use of everyone's time.
