

# Kit Works and The Hill Group present the Trade Show Survival Kit

Each survival kit contains items that just might make it possible for you and your staff to get through your next trade show in one piece.

- Trade Show Survival Guide, 3rd Edition (A \$14.95 Value!)
- Gum (For the plane, not the booth, but you knew that already)
- Ear Plugs (What did you say?)
- Granola Bars (Perfect for munching on your five-minute break)
- Kleenex (Don't cry - it's only a trade show)
- Alka-Seltzer (Go ahead, have another \$20 hot dog)
- Breath Mints (Did you have onions on that hot dog?)
- Lipbalm (Constantly licking your lips isn't really all that attractive)
- Stain Remover (Try not to be such a slob next time!)
- Scope (Because who has time to brush)
- Foot Powder (Also good for giving yourself that distinguished grey-haired look)
- Advil (What do you mean the company isn't paying for all those little drinks in the honor bar?)
- Band-Aids (Cure-all for most common trade show hazzards - paper cuts and blisters)
- Moist Towelettes (You've spent all day shaking hands with strangers)
- Tea (Get cozy and contemplate all those hot leads you generated today)
- Carryall Portfolio (With room for your other show materials too!)

**Your Price Each Kit ..... \$25.00 (\$20 each for 100 or more)**

Total Cost of Items (If you bought them yourself) ..... at least \$34.95+  
 Cost of your time to buy and assemble kits ..... WAY TOO MUCH!!!

**Order a kit for every member of the exhibit staff!!!**

*Kit Works is part of **The Hill Group**. Kit items may vary depending on availability.*

**Mail with payment made out to **The Hill Group**.**

*Or fax to 408.557.8425 and an invoice will be sent you. Sorry, no credit cards.*
